Dear friends

I hope this Email finds you well.

Attached herewith is an article written by Fidel Castro where he speaks about Cuba and Venezuelan friendship, but also about topics like the genocide being carried out in Gaza, and Venezuelan Government's role in helping the people of Gaza.

I'm sharing this letter with you in order to seek for your support to spread this message against genocide and imperialism.

Warm regards,

Mina Perez

Embassy of the Bolivarian Republic of Venezuela in Malaysia
